**VENDOR NAME:** \_\_\_\_\_

A more detailed description can be found in the corresponding Technical Specifications document. The resulting contracts may not be exclusive contracts as the State reserves the right to contract for the same or similar goods from other sources now or in the future.

**The term of the resulting contracts will be one (1) year commencing upon execution of the contracts by the State and the Bidder (Parties) and include an option to renew for one (1) additional one (1) year period upon mutual agreement of the Parties.**

The State reserves the right to extend the period of this contract beyond the expiration, for half of the initial Contract term, when mutually agreeable to the Parties.

**INFORMATION PERTINENT TO THIS SOLICITATION CAN BE FOUND ON THE INTERNET AT:**

<http://das.nebraska.gov/materiel/purchasing.html>

**IMPORTANT NOTICE:** Pursuant to Neb. Rev. Stat. § 84-602.02, State contracts in effect as of January 1, 2014, and contracts entered into thereafter, must be posted to a public website. (See Attorney General Opinion No. 92068, April 27, 1992) **THE VENDOR MAY NOT ASSERT THAT THE ENTIRE BID IS PROPRIETARY. COST WILL NOT BE CONSIDERED PROPRIETARY AND IS A PUBLIC RECORD IN THE STATE OF NEBRASKA.** The State will then determine, in its discretion, if the interests served by nondisclosure outweighs any public purpose served by disclosure. (See Neb. Rev. Stat. § 84-712.05(3)) The Vendor will be notified of the Agency's decision. Absent a State determination that information is proprietary, the State will consider all information a public record subject to release regardless of any assertion that the information is proprietary.

If the State determines it is required to release proprietary information, the Vendor will be informed. It will be the Bidder's responsibility to defend the asserted interest in non-disclosure.

To facilitate such public postings, with the exception of proprietary information, the State reserves a royalty-free, non-exclusive, and irrevocable right to copy, reproduce, publish, post to a website, or otherwise use any Contract or Bid for this solicitation for any purpose, and to authorize others to use the documents. Any individual or entity awarded a Contract, or who submits a Bid for this solicitation, specifically waives any copyright or other protection the Contract or Bid for the solicitation may have; and, acknowledges that they have the ability and authority to enter into such waiver. This reservation and waiver is a prerequisite for submitting a for this solicitation, and award of a contract. Failure to agree to the reservation and waiver will result in the Bid for the solicitation being found non-responsive and rejected.

Any entity awarded a contract or submitting a Bid for the solicitation agrees not to sue, file a claim, or make a demand of any kind, and will indemnify and hold harmless the State and its employees, volunteers, agents, and its elected and appointed officials from and against any and all claims, liens, demands, damages, liability, actions, causes of action, losses, judgments, costs, and expenses of every nature, including investigation costs and expenses, settlement costs, and attorney fees and expenses, sustained or asserted against the State, arising out of, resulting from, or attributable to the posting of the contract or the Bids for the solicitation, awards, and other documents.

4. Completed State's Bid Sheet (if applicable);
5. Any supporting documentation: color charts, warranties, etc.; and,
6. If a separate bid is requested, and separate contract awarded, if the manufacturer is producing fuel-flexible E85 motor vehicles (units capable of operation on a fuel mixture of up to 85% Ethanol/15% Unleaded Gasoline without additional change or conversion).

**R. EVALUATION OF BIDS**

All bids that are responsive to the solicitation will be evaluated based on the following:

**Neb. Rev. Stat. § 81-161 allows the quality of performance of previous contracts to be considered when evaluating responses to competitively bid solicitations in determining the lowest responsible bidder.** Information obtained from any Vendor Performance Report (See Terms & Conditions, Section H) may be used in evaluating responses to solicitations for goods and services to determine the best value for the State.

**Neb. Rev. Stat. § 73-107 allows for a preference for a resident disabled veteran or business located in a designated enterprise zone.** When a state contract is to be awarded to the lowest responsible vendor, a resident disabled veteran or a business located in a designated enterprise zone under the Enterprise Zone Act shall be allowed a preference over any other resident or nonresident vendor, if all other factors are equal.

**Resident disabled veterans means any person (a) who resides in the State of Nebraska, who served in the United States Armed Forces, including any reserve component or the National Guard, who was discharged or otherwise separated with a characterization of honorable or general (under honorable conditions), and who possesses a disability rating letter issued by the United States Department of Veterans Affairs establishing a service-connected disability or a disability determination from the United States Department of Defense and (b)(i) who owns and controls a business or, in the case of a publicly owned business, more than fifty percent of the stock is owned by one or more persons described in subdivision (a) of this subsection and (ii) the management and daily business operations of the business are controlled by one or more persons described in subdivision(a) of this subsection. Any contract entered into without compliance with this section shall be null and void.**

Therefore, if a resident disabled veteran or business located in a designated enterprise zone submits a bid in accordance with Neb. Rev. Stat. § 73-107 and has so indicated on the ITB cover page under "Vendor must complete the following" requesting priority/preference to be considered in the award of this contract, the following will need to be submitted by the vendor within ten (10) business days of request:

1. Documentation from the United States Armed Forces confirming service;
2. Documentation of discharge or otherwise separated characterization of honorable or general (under honorable conditions);
3. Disability rating letter issued by the United States Department of Veterans Affairs establishing a service-connected disability or a disability determination from the United States Department of Defense; and
4. Documentation which shows ownership and control of a business or, in the case of a publicly owned business, more than fifty percent of the stock is owned by one or more persons described in subdivision (a) of this subsection; and the management and daily business operations of the business are controlled by one or more persons described in subdivision (a) of this subsection.

**VENDOR NAME:** \_\_\_\_\_

5. Failure to submit the requested documentation within ten (10) business days of notice will disqualify the vendor from consideration of the preference.

**S. MODEL YEAR PAINT CHARTS**

If the vehicle rolls to the next model year during the contract term, the Vendor shall provide a current paint chart for the current model year.

**T. BEST AND FINAL OFFER**

The State reserves the right to request BAFO's. However, a Bidder should provide its best offer in its original bid. Bidders should not expect that the State will request a BAFO.

**U. REFERENCE AND CREDIT CHECKS**

The State reserves the right to conduct and consider reference and credit checks. Reference or credit checks may be grounds to reject a bid, or withdraw an Intent to Award or award of a contract. The State reserves the right to use third parties to conduct reference and credit checks.

**V. AWARD**

The State reserves the right to award contracts in a manner utilizing criteria selected at the State's discretion and in the State's best interest. At any point in the ITB process, the State may take one (1) or more of the following actions:

1. Amend the ITB;
2. Extend the time of or establish a new Bid Opening time;
3. Waive deviations or errors in the State's ITB process and in bidder ITBs that are not material, do not compromise the bid process or a bidder's ITB, and do not improve a bidder's competitive position;
4. Accept or reject a portion of or all of an bid;
5. Accept or reject all bids;
6. Withdraw the bid;
7. Elect to rebid the ITB;
8. Award single lines or multiple lines to one (1) or more bidders; or,
9. Award one (1) or more all-inclusive contracts.

The State may consider, but is not limited to considering, one (1) or more of the following award criteria:

1. Unit of Measure;
2. Price;
3. Location;
4. Quality;
5. Delivery time;
6. Vendor qualifications and capabilities;
7. State contract management requirements and/or costs; and,
8. A separate contract may be awarded if the manufacturer is producing fuel-flexible E85 motor vehicles (units capable of operation on a fuel mixture of up to 85% Ethanol-15% Unleaded Gasoline without additional change or conversion).

The ITB does not commit the State to award a contract. Once an Intent to Award decision has been determined, it will be posted to the Internet at: <https://das.nebraska.gov/materiel/bidopps.html#>.

Any protests must be filed by the bidder within ten (10) business days after the Intent to Award decision is posted to the Internet. Grievance and protest procedures are available on the Internet at: <http://das.nebraska.gov/materiel/purchasing.html>

The State may award to the lowest base price. The State also reserves the right to split the award as follows:

1. A Primary Contract will be awarded to the lowest responsive bidder.
2. A Secondary Contract may be awarded to the second lowest responsive bidder.
3. Lowest base price may be based on engine size, fuel type and/or vehicle life cycle cost (Cost of Vehicle) + (80,000/EPA Estimated Highway MPG) x (EIA Average Price Force\*) \*EIA Average Price for Midwest Region Regular Grade.

**W. SPECIFICATIONS**

Any manufacturer's names, trade names, brand names, information and/or catalog numbers listed in a specification are for reference and not intended to limit competition, but will be used as the standard by which equivalent material offered will be judged. The Materiel Administrator will be the sole judge of equivalency. The Bidder may offer any brands, which meets or exceeds the specification. When a specific product is required, the ITB will so State. Any item bid is to be the latest current model under standard production at the time of order. No used or refurbished equipment will be accepted, unless otherwise stated.

**VENDOR NAME:** \_\_\_\_\_

Product quality must meet specifications and be consistent for the term of the contract. All materials must be of first quality, under standard production by the manufacturer, be of standard design, complete as regularly advertised and marketed, and be of proven performance.

**X. ALTERNATE/EQUIVALENT BIDS**

Bidder may offer bids, which are at variance from the express specifications of the ITB. The State reserves the right to consider and accept such bids if, in the judgment of the Materiel Administrator, the bid will result in goods and/or services equivalent to or better than those which would be supplied in the original bid specifications. Bidders must indicate on the ITB the manufacturer's name, number and shall submit with their bid, sketches, descriptive literature and/or complete specifications. Reference to literature submitted with a previous bid will not satisfy this provision. Bids which do not comply with these requirements are subject to rejection. In the absence of any stated deviation or exception, the bid will be accepted as in strict compliance with all terms, conditions and specification, and the Bidder shall be held liable therefore.

**Y. "LUMP SUM" OR "ALL OR NONE" BIDS**

The State reserves the right to purchase "item-by-item", by groups or as a total when the State may benefit by so doing. Bidders may submit a bid on an "all or none" or "lump sum" basis, but should also submit a bid on an "item-by-item" basis. The term "all or none" means a conditional bid which requires the purchase of all items on which bids are offered and Bidder declines to accept award on individual items; a "lump sum" bid is one in which the Bidder offers a lower price than the sum of the individual bids if all items are purchased, but agrees to deliver individual items at the prices quoted.

The bidder must make SPB fully aware the bid is an "all or none" or "lump sum," bid in writing.

**Z. EMAIL SUBMISSIONS**

SPB will not accept bids by email, voice, or telephone bids except for one-time purchases under \$50,000.00.

**AA. BID TABULATIONS**

Bid tabulations are/will be available on the website/Bid Opportunities page at:  
<https://das.nebraska.gov/materiel/bidopps.html#CommodityContracts>.

**BB. REJECTION OF BIDS**

The State reserves the right to reject any or all bids, wholly or in part, in the best interest of the State.

**CC. RESIDENT BIDDER**

Pursuant to Neb. Rev. Stat. §§ 73-101.01 through 73-101.02, a Resident Bidder shall be allowed a preference against a Non-resident Bidder from a State which gives or requires a preference to Bidders from that State. The preference shall be equal to the preference given or required by the State of the Nonresident Bidders. Where the lowest responsible bid from a resident Bidder is equal in all respects to one from a nonresident Bidder from a State, which has no preference law, the resident Bidder shall be awarded the contract. The provision of this preference shall not apply to any contract for any project upon which federal funds would be withheld because of the provisions of this preference.

Said notice shall be delivered by Certified Mail, Return Receipt Requested, or in person with proof of delivery. Allowing time to cure a failure or breach of contract does not waive the right to immediately terminate the contract for the same or different contract breach, which may occur at a different time.

In case of breach by the Vendor, the State may, without unreasonable delay, make a good faith effort to make a reasonable purchase or contract to purchased goods in substitution of those due from the Vendor. The State may recover from the Vendor as damages the difference between the costs of covering the breach. Notwithstanding any clause to the contrary, the State may also recover the contract price together with any incidental or consequential damages defined in UCC Section 2-715, but less expenses saved in consequence of Vendor's breach OR in case of default of the Vendor, the State may contract the service from other sources and hold the Vendor responsible for any excess cost occasioned thereby.
